DS4H training offer for PhD candidates

<https://ds4h.univ-cotedazur.eu/education/phd>

DS4H options (« heures de formation »)

Minors

~15 minors / semester

Research project supervision

Supervise a
Master student
research activity

Do not miss the **Spring semester kick-off**
January 23rd from noon to 2pm

DS4H minors

<https://ds4h.univ-cotedazur.eu/minors>

- For Master and doctoral students
- Feb 27th – April 24th
and from Mid October to December (2026)
- On Thursday mornings
- Low prerequisites
- In English

Spring 2025 DS4H minors catalog (tentative)

Technical

- Introduction to Deep Learning
- Quantum Computing and Networking
- IoT - Fablab
- Technological Challenges in the IoT Domain

Business

- Website creation Workshop
- DeepTech Entrepreneurship

Innovation and Creativity

- Innovation and Design Thinking
- Innovation and Creativity

Digital Culture

- Anthropology and Ethics of Technics

Personal development

- Introduction to Scientific Research
- Tools 2 Communicate

Register on ADUM :
www.adum.fr/UCA/formations

Supervision of Master students conducting a research project

Submit a
research
project and
supervise a
Master
student

- You acquire « formation » hours (7,5 h)
- You get part of your PhD work done by a Master student
- You get new perspectives on your work
- You get experience in supervising students

Submit your project here :
ds4h.univ-cotedazur.fr/project-submission

(With the agreement of your PhD supervisor)

DocWalker

- 1 – 3 months mobility in a foreign University funding
- In the context of a research partnership
- Acquire research experience
- Extend your professional network

Winter / Summer schools support

- Funding for seasonal training schools

Forum Numerica

The poster features a blue header with the University of Côte d'Azur logo and the 'FRANCE 2030 Initiative of Excellence' emblem. Below this, the text 'FORUM NUMERICA' is prominently displayed in white, with 'HYBRID' in smaller letters to its right. Underneath, it reads 'THE DIGITAL WORLD SEMINAR SERIES' and includes a QR code. The main content area shows a photograph of Simone Vannuccini, a man with short dark hair wearing a dark sweater, sitting at a desk. To the right of the photo, the text reads: 'Robots and Innovation Innovation in Robots?', 'Simone Vannuccini', 'Université Côte d'Azur, CNRS, GREDEG', '16/12/2024 2pm-3pm', and 'Campus SophiaTech Templiers room F222 and online'.

→ Monthly scientific seminars dedicated to digital sciences and their impact on society and mankind.

- Co-organized with the RISE Academy
- Training hours accounted for PhD students

<https://ds4h.univ-cotedazur.fr/forum-numerica>
